RULES OF ENGAGEMENT

- ☐ **TIME LIMIT:** Strict 2-minute window per learner.

- ☐ **INTERROGATION:** The audience/judges are permitted to ask questions immediately after each pitch.
- ☐ **CONFLICT:** Strong rebuttals are not just allowed; they are encouraged.

SKILL AUDIT: SELF-PRESERVATION

Analyzing the cognitive muscles flexed during the Shipwreck phase.

Delivering a clear message without hesitation.

Handling cross-questions with confidence.

Generating unique value propositions on the spot.

STRATEGIC PIVOT: THE ANTI-SHIPWRECK

The mission parameters have changed. Self-interest is now a liability.

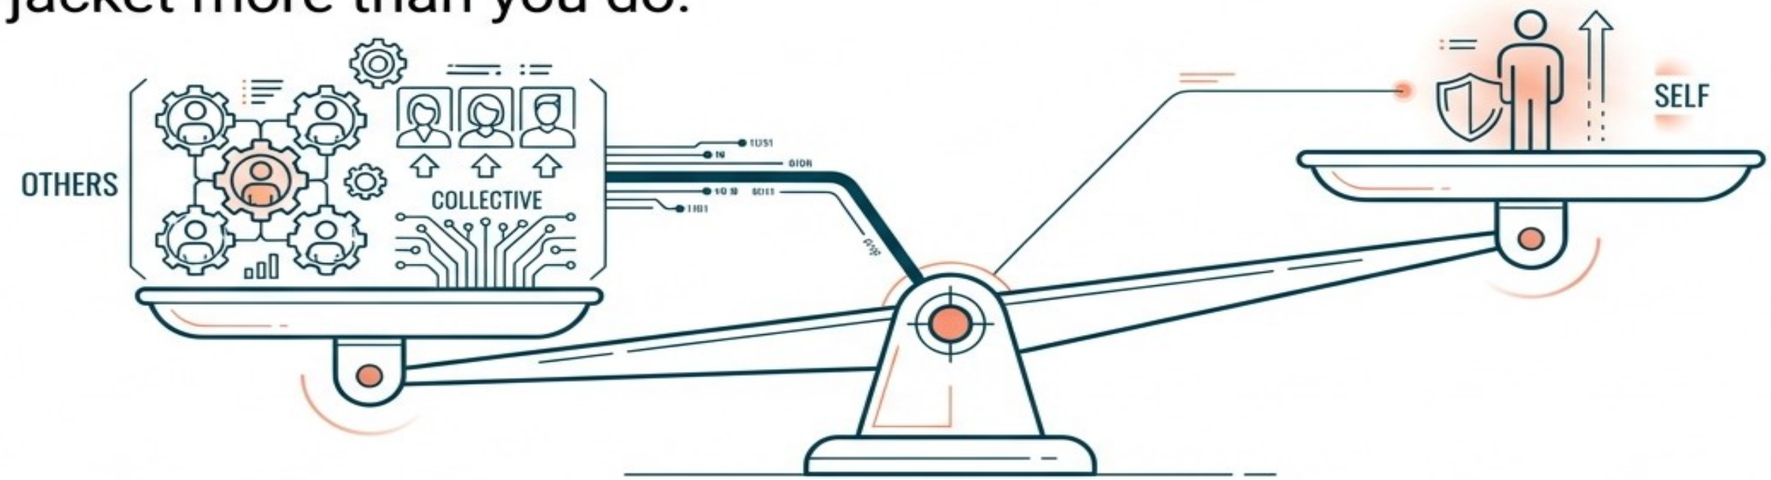

New Directive: You are no longer arguing for yourself. You must advocate for the survival of your competitors.

LEARNERS MUST SWITCH PERSPECTIVES ENTIRELY.

REVISED OBJECTIVES: DEFENSE OF THE OTHER

The Challenge: Explain why the other two contenders deserve the life jacket more than you do.

EMPATHY

Understanding the value of others.

FAIRNESS

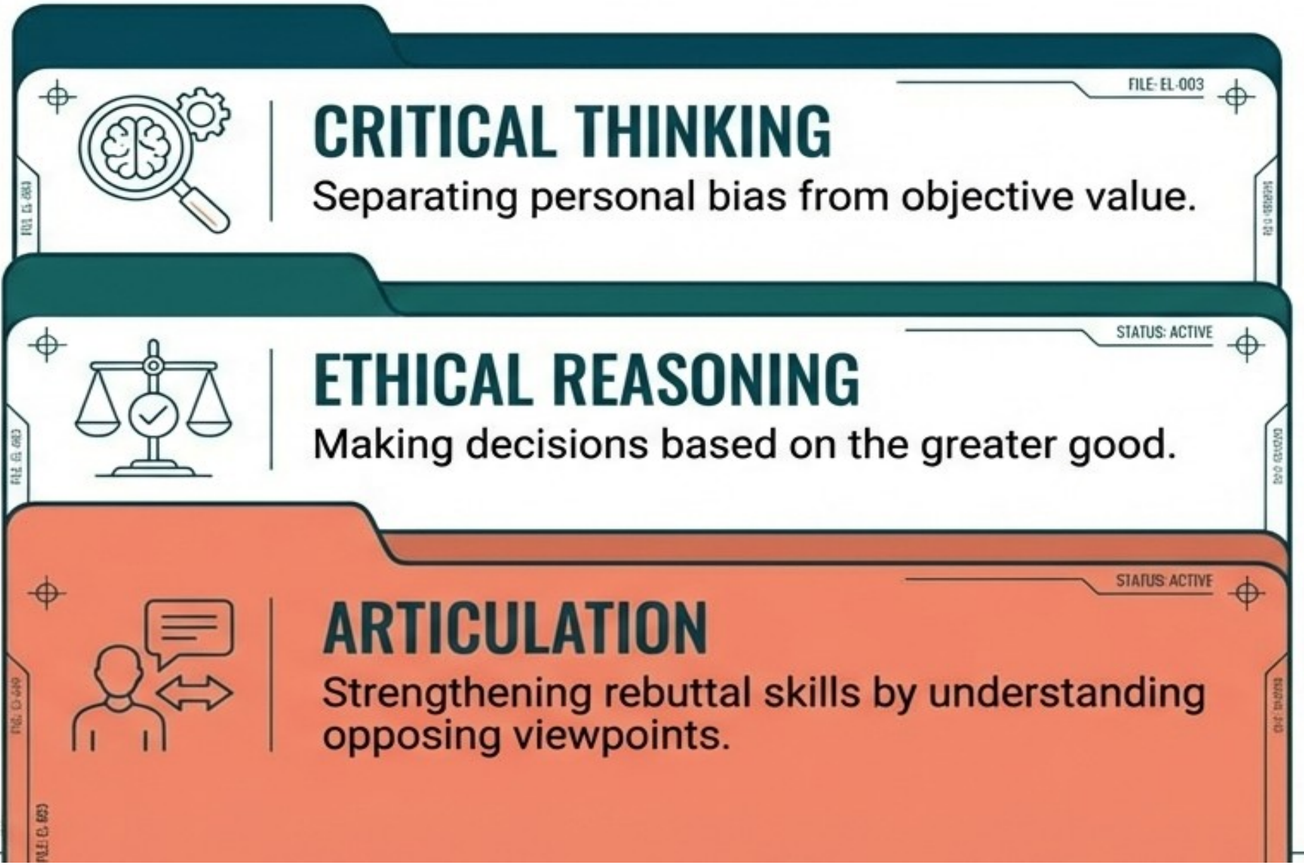

Weighing merits objectively.

CONSISTENCY

Maintaining the assigned character persona while arguing against self-interest.

SKILL AUDIT: ETHICAL LEADERSHIP

What we gain when we step back from the ego.

DEBRIEF: COMMANDER'S INTENT

The simulation is over. The communication principles remain.

CLARITY IS SURVIVAL

Persuasion relies on impact, not volume.

LOGIC BEATS NOISE

A structured argument will dismantle a loud, emotional plea.

LISTENING IS STRATEGIC

Effective rebuttals are born from deep listening, not just waiting for your turn to speak.
