About the Team & Business Line:

Fund Administration is Citco's core business, and our alternative asset and accounting service is one of the industry's most respected. Our continuous investment in learning and technology solutions means our people are equipped to deliver a seamless client experience.

As a core member of our Fund Accounting team, you will be working with some of the industry's most accomplished professionals to deliver award-winning services for complex fund structures that our clients can depend upon.

Your Role:

- Performing the administration of and any services pursuant to administration agreements in respect of a portfolio of hedge fund clients;
- Consolidation & validation review of functional handovers across teams and locations
- Preparation and/or review of Net Asset Value calculations, financial statements and associated reports
- Valuation of hedge fund portfolio holdings
- Analysis of fund performance and prepare performance/P&L related reports
- Demonstrate ownership of assigned work and ensure timely completion, in line with demanding client service agreements
- Escalate priority issues to supervisor and/or assistant vice president in a timely and detailed manner
- Maintaining day-to-day relationships with Citco Internal COE & non-COE teams including Operational Support, Middle Office, Pricing, Investor Relations and Relationship Management Fund Accounting teams
- Support queries from external parties, including clients, auditors and other advisors
- Maintain a current and thorough understanding of applicable best practice policies & client specific agreements.
- Support training of new fund accountants and on-boarding of new clients and/or funds to Citco
- Assist supervisor and/or assistant vice president as required

- Contribute to team and/or departmental initiatives

About You:

- Degree qualified in Accounting or Finance related area and/or studying for a professional accounting qualification
- 3-4 years of experience in Financial Services with high volume operational environment and/or hedge fund industry is an advantage
- Display an active interest in the financial markets and hedge fund industry
- Strong financial and/or accounting and analytical skills
- Proficient in Microsoft Applications (Word, Excel etc.)
